### **What to Expect:**

- ◆ Guidance on structuring & managing your Regional Planning, Exercise and Training (PET) calendar.
- ◆ Network with other training and exercise professionals from across the state.
- ◆ Presentation of the 7 Regional PET Calendars
- ◆ Opportunity for input into the State of Nebraska Multi-year Training and Exercise Plan
- ◆ Presentation of current communications projects

### **Who should Attend?**

- County / Regional Emergency Managers (mandatory)
- Decision Makers working on interoperable communications

The first day of the conference is geared towards the communication field, focusing on interoperable communications across the state.

The second day focuses on the training exercise & planning side of Emergency Management.

If that's not enough of a reason to attend, the EPW is a mandatory requirement for local emergency managers participating in the Homeland Security, Training/ Exercising Grant Program .

## Registration Includes:
